The Director
Central Intelligence Agency
Mr. Stansfield Turner

Washington, D.C. 20505
U S A

Dr. Theo Sommer

Hamburg, den December 22, 1977

Dear Admiral Turner,

I have never had a chance to take you up on your invitation to come down to Naples - but then Langley is probably a much easier place to get to.

I need not stress how pleased I was when I first heard about your appointment. You have brought to a very difficult job distinction, competence and the kind of cool judgement which all of us who live under the American umbrella can only be grateful for.

Your invitation to address your Agency is very flattering. As I already told your [REDACTED] representative it will be both my privilege and my pleasure to oblige. The topic "The Two Germanys in Tomorrow's Europe" and the general format are quite acceptable to me.

As to the dates: It so happens that I do have another Washington appointment on April 12 and 13. As your Guest Speaker Program typically runs on the second Tuesday I would suggest that I come on April 11.

Please let me know whether that is convenient to you. Of course, I would particularly welcome the chance to meet with some of your people for an informal exchange of views.

Let me take this opportunity to wish you a very Merry Christmas and lucky stars in 1978!

Looking forward to seeing you again next year, I am

With warmest regards,

Yours sincerely,

Wesley

White House meeting in the afternoon, the DCI is now
meeting with Dr. Sommer at 1:30 -- and [REDACTED] is
looking for someone to make the introduction at the
Guest Speaker Program.

25X1A

However, there is a chance that the WH meeting
will be cancelled, in which case the DCI would meet
with Dr. Sommer at 2:45 and introduce him at 3:00
-- and the attached paper was prepared for that pos-
sibility. [REDACTED] was to call O/DCI and tell
them all this so they would not be confused when
they get the paper.
